

The Look of the Cub Scout Pack

Once a month all dens come together to celebrate the Cub Scouts' accomplishments for the month.

Each grade level has a separate boy den and girl den, kindergarten through 5th grade.

Two deep adult leadership has been in place since the 1980s with at least one trained adult leader. The girl dens must have at least one trained female leader. The requirements for Cubs are unchanged and the same for all.

It's nothing new. Sister has always been on the campouts, raced her Pinewood Derby car in the race, gone to Philmont Scout Reservation and even helped with the Eagle Scout service project.
And now she can wear the ranks that many before her should have worn because they earned them.

The Scout Law

A Scout is...

- | | |
|-------------|----------|
| Trustworthy | Obedient |
| Loyal | Cheerful |
| Helpful | Thrifty |
| Friendly | Brave |
| Courteous | Clean |
| Kind | Reverent |

The Look of the Scout BSA Troops

Two separate Troops, one for boys and one for girls.

They both can have the same Charter Partner, same unit number, same parent committee, and meet at the same time and place.

They will operate Independently of each other but can hold joint adventures. They will have separate Scoutmasters. The Troop for girls will have a female Scoutmaster.

The requirements for Scouts are unchanged and the same for all.

The Future Needs Your Experience And Your Passion.

The BSA has instilled character and leadership into the youth for over 100 years.

The program is the same but now it allows the whole family to find the adventure together.

Many of today's families are struggling. In most traditional families both parents are now working. Single parent families are more common. Grandparents are asked to step in and take the place of the parent. But what does that mean to youth organizations run by volunteers? What is happening to the youth in these programs without the volunteers? Who is learning leadership and building the character that is needed in our country without the programs like Scouting BSA?

A Scouting background is a plus but not a must.

The Boy Scout of America are looking for great volunteers who want to see the youth achieve leadership with character. We train adults. Help is needed at many levels.

- Work with the Cubs or Scouts.
- Work with and guide units and parent committees.
- Help run the District
- Raise funds
- Run day camps

Teach the mothers and fathers how to lead Scouting.
